INVESTMENT OPPORTUNITY

Newman Crossing represents an opportunity to invest in the development of 33 finished fee-simple townhome lots within one of Metro Atlanta’s fastest-growing residential corridors.

Located in Coweta County, Georgia, the project is positioned to capitalize on continued population growth, strong housing demand, and increasing builder activity in the South Atlanta market.

Rather than assuming the risks associated with vertical construction, the business strategy focuses on creating value through land development, infrastructure completion, and delivery of builder-ready finished lots.

THE INVESTMENT STORY

A Simple Value Creation Strategy

Every successful residential community begins with well-positioned land.

Newnan Crossing has been planned to deliver a highly desirable townhome community in an area experiencing continued residential expansion.

The investment strategy is straightforward:

The project's focus remains on creating value through horizontal development rather than assuming the additional risks associated with home construction.

NEWNAN CROSSING TOWNHOMES
COWETA COUNTY, GEORGIA

WHY NEWNAN?

One of Metro Atlanta's Emerging Residential Markets

Located approximately 40 miles southwest of Downtown Atlanta along Interstate 85, Newnan has become one of Georgia's most desirable suburban communities.

Its strategic location provides residents with convenient access to Atlanta's employment centers while offering a more affordable, family-oriented lifestyle.

WHY RESIDENTS CONTINUE CHOOSING NEWNAN

-  Easy access to Interstate 85
-  Commute to Atlanta employment hubs
-  Strong public schools
-  Expanding healthcare network
-  Growing retail destinations
-  Established residential neighborhoods
-  Attractive quality of life

WHY NEWNAN CROSSING?

A Smart Investment in a Growing Market

POSITIONED WITHIN A HIGH-GROWTH ATLANTA MARKET

The project benefits from long-term demographic and employment growth across the southern Atlanta metropolitan area.

DEFINED BUSINESS PLAN

Value is created through entitlement completion, site development, and infrastructure installation before delivering finished lots to a national or regional homebuilder.

REDUCED DEVELOPMENT RISK

- ✓ No Vertical Construction
- ✓ Short Investment Duration
- ✓ **Alt contract in place with a builder.**
- ✓ Attractive Residential Product
- ✓ Established Development Team

BUILDER STATUS

ALREADY CONTRACT IN PLACE WITH A BUILDER.

A contractual relationship with the homebuilder establishes a defined disposition strategy, reducing market uncertainty and supporting efficient project execution.

STRONG FUNDAMENTALS. LASTING VALUE.

STRONG DEMOGRAPHICS
Growing population and households

EMPLOYMENT GROWTH
Expanding job market across multiple sectors

RETAIL AND SERVICE EXPANSION
Nearby retail, dining and daily conveniences

QUALITY EDUCATION
Access to top-rated schools

PARKS AND RECREATION
Abundant green space and outdoor amenities

MAJOR INFRASTRUCTURE ACCESS
Excellent connectivity to Interstate 85 and beyond

COWETA COUNTY GROWTH STORY

Population Growth Driving Housing Demand

Coweta County continues to experience steady population growth supported by expanding employment opportunities and continued migration from Metro Atlanta.

As housing affordability becomes increasingly challenging closer to Atlanta, buyers continue seeking communities that offer larger homes, better schools, and stronger value.
